CAMERA AS WITNESS

now completing its first decade, was originally conceived to celebrate the fiftieth anniversary of the signing of the Universal Declaration of Human Rights. UNAFF was created with the help of members of the Stanford Film Society and United Nations Association Midpeninsula Chapter, a grassroots, community-based, nonprofit organization. The Tenth UNAFF Main Festival Screening will be held from October 24 to 28, 2007 at Stanford University. The theme for this year is "Camera as Witness".
